Two delightful dishes in the kitchen this month – Lucy and Ashleigh, two tarts who would have famously sweet-toothed MasterChef judge Gregg Wallace umming, aahing and quite frankly ejaculating – all to an irritating hi-energy dance soundtrack. Birthday bonks with stranger

Razzle – you know you helped me enjoy a bonking birthday to remember.

Sam, my partner, had arranged a surprise for me when we got home.

He showed me four soft leather straps attached to the bed and told me to lie down.

He then tied me in place and slipped a blindfold over my eyes.

He left the room and I tried to imagine what he might have got, thinking it might've been a rabbit vibe or a big plastic cock.

My pussy was soaking as I thought about the fucking I was going to get.

Then I heard Sam return and I felt fingers run up my thighs.

He moved his fingers so that they brushed over my clitty then his thumb pressed down hard with a slow rocking movement that had me moaning for more.

A finger slipped inside my slit and was quickly followed by two more.

Sam worked my pussy, sliding three digits in and out, teasing me towards an almighty orgasm.

My cunt finally exploded as I felt his mouth clamp over my right tit, lapping and chewing hard, erect nipple.

I felt Sam's cock, hard and erect pressing against my lips and opened my mouth to allow it to slip in.

My tongue worked over his cock head, dipping into the little eye to lap up all the pre-cum.

I bobbed my head forwards, taking more of his cock into my mouth and sucked him as hard as I could.

Sam then whispered into my ear – "Is that nice babe?" but I could only grunt as his cock slid in and out of my mouth.

I'm not normally slow but it took me a second to realise that Sam couldn't be licking my cunt and whispering in my ear at the same time.

There was someone else in the room, and he was licking my wet cunt.

I was too far gone to care who they were and just carried on sucking Sam's cock as I enjoyed the licks from my anonymous lover.

Sam pulled out of my mouth and my lover stopped lapping at my cunt. I wailed for them to keep going but was told to roll onto my side.

I did as they said and felt someone's cock entering my cunt. I clenched my muscles, squeezing it tightly as it pushed its way deeper and deeper inside me.

Just as I got used to this I felt a second cock prodding at my arse. Sam pushed until I relaxed and slid in.

I was being fucked in both holes by two cocks and loving every filthy second of it.

Suddenly I felt the cock in my pussy shake violently then explode inside me.

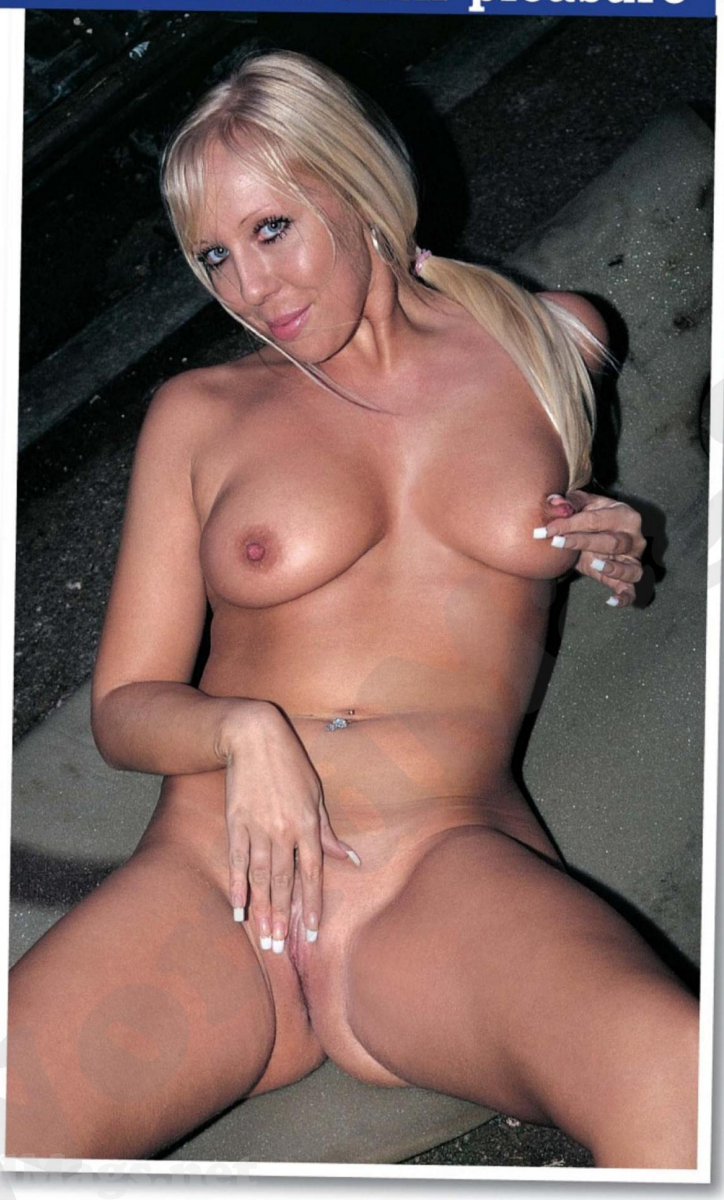
GRAND ANAL!

O hole mio! Scarlett Revell, super hot director (in both senses, see her pic, *left*), travels to Italy for her latest film – a veritable Pornetto of different fuck flavours, featuring fetishwear by award-winning designer Atsuko Kudo (who dresses Lady Gaga), classy canalside locations and primo poon in the shape of Hennesy (*right*) and Mira (*left*). But how's the sex? In true Italian style, your cock will promptly surrender in the face of this onslaught!

"He emptied his swollen balls in my arse, pushing me towards my third orgasm. I cried out with pleasure"



No sooner had this hot pumping slowed than Sam let go and emptied his swollen balls deep inside my arse. This was enough to push me toward a third and final orgasm and I cried out with pleasure.

It turned out that Sam had written to one of the guys who had sent us a horny letter after I was in *Razzle* before and asked him to come and fuck me senseless.

My cunt was so well hammered that I told Sam not to wait until my birthday for the next time! I'm hoping for a rapid repeat performance!

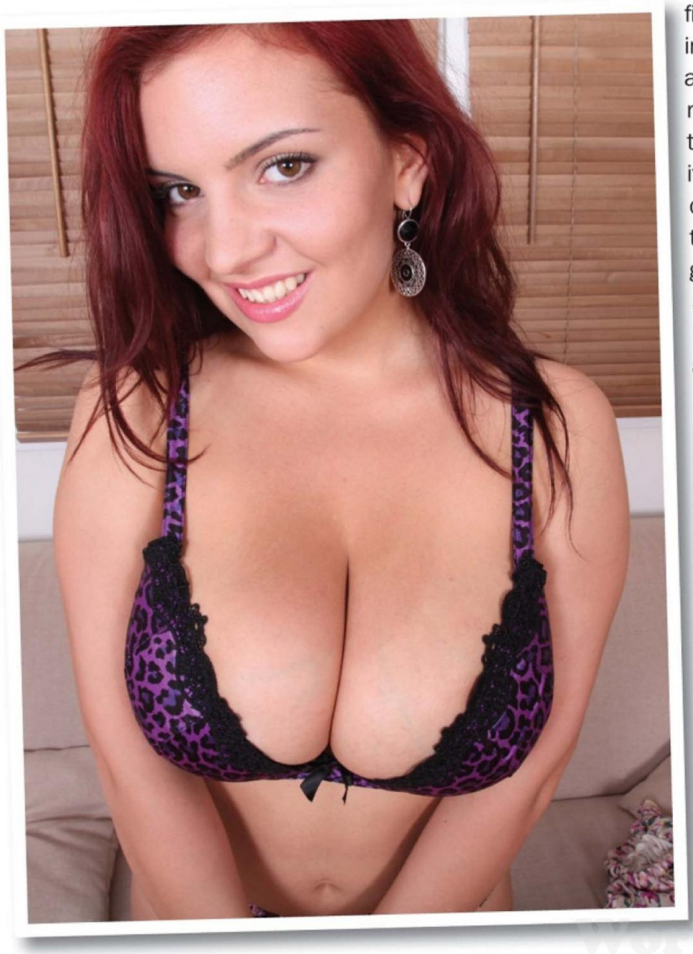
TRUE CONF

THERE'S LESBIAN LOVE AMONGST THE COXLESS FOURS DOWN AT THE ROWING CLUB

I've been in a girls' rowing team for the last few years. This means I have to put up with an awful lot of stick from my male friends about what we get up to after outings in the showers, well, you can imagine. And although I used to make stories up just to amuse them and wind them up, the other day something actually happened for real, that I just couldn't wait to tell them about.

The first thing to realise though is that we're not all big, butch girlies, who resemble Russian shot-putters. In fact, the longer and leaner the girl, the better it is for rowing. The other thing is that we spend an awful lot of time in skintight lycra, so there's very little left to the imagination – if you were interested, there's not much more to see! And in case you were wondering, it's also true that there's not much room for any underwear under an all-in-one rowing outfit.

I row in an aptly-named coxless four. There are always competitions at the weekend, and after a big race it's back to the club to unload the boats before we have a few pints in the bar. A few weekends ago, we'd won gold and decided to really celebrate. The only problem is, when you've been racing all day the alcohol tends to go to your head pretty quickly, what with the exertion and adrenaline. Most of the other girls had drifted home, but a couple of us were lying around in the clubroom, still in our kit, indulging in some post-race analysis. One of the crew members, Sara, is the kind of girl who finds it hilarious to indulge in a bit of arse-slapping and nipple-tweaking, though I suppose it had never really crossed my mind that she was into girls sexually. So when she suggested it was about time we all had a shower, I didn't really think anything of it. After all, we did stink!



As you'd expect, our showers are communal, with no curtains whatsoever, but nobody is particularly modest in our team so it's not really a problem. I guess modesty goes out of the window as soon as you pull the lycra uniform on! We all piled in the changing rooms, shrieking with laughter and staggering from all the booze. I stripped off first and bounced into the shower, while the others faffed about, getting undressed. I had just started soaping myself up when I felt Sara's hands on my shoulders.

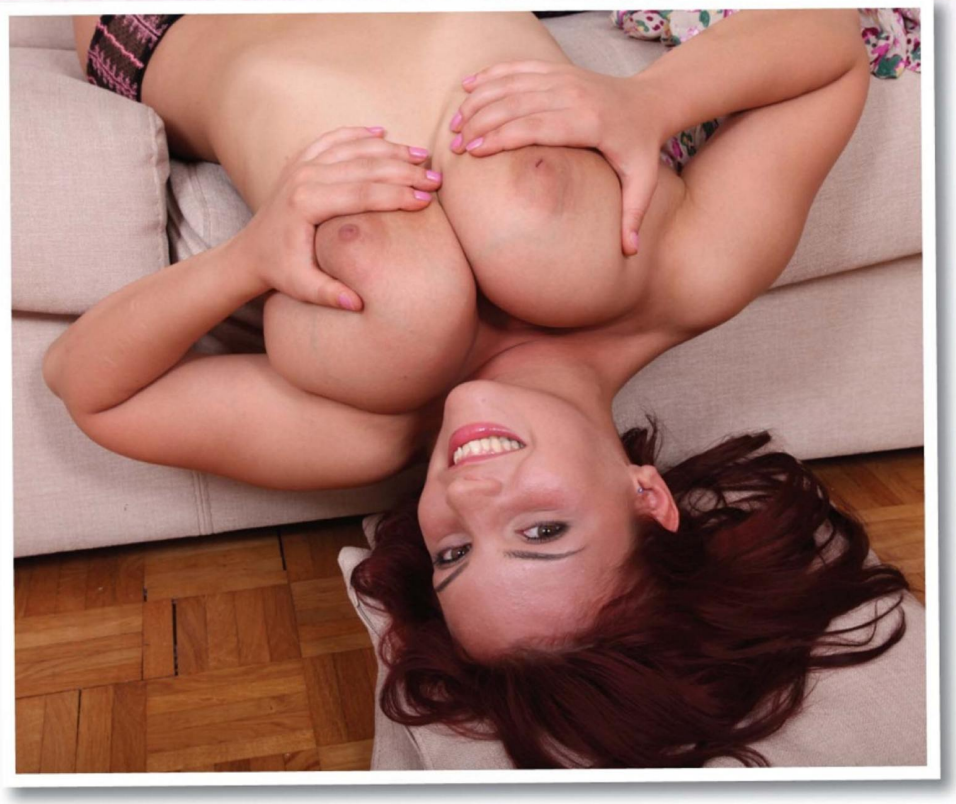
"Let me wash your hair for you," she said, rubbing some shampoo into my head. This was pretty strange behaviour, even from Sara, but I let her carry on as it felt pretty nice having her massaging me while the hot shower streamed down over my head.

Then, however, her hands started to move further down, cupping my breasts from behind and squeezing at my nipples. This definitely wasn't the playful tweaking of before, but to be honest I was so high from

WorldMags.net

visit www.paulraymond.com

FESSIONS



the adrenaline and alcohol that I let her continue. Then she reached for my pussy. My first, guilty, reaction was to clench my legs together so she wouldn't be able to explore me, but she carried on soaping my belly, moving closer and closer towards my clit so that I gradually relaxed and let her find my cunt. All the time she was biting at the back of my neck, expertly teasing my body as though she'd done this hundreds of times before.

As this thought entered my head, I suddenly remembered my two other crew mates. Out of the corner of my eye, I caught sight of them with their hands all over each other, watching Sara fuck me. Before I even had time to wonder whether they'd both been initiated in this way, Sara was on her knees behind me, spreading my buttocks, forcing her tongue between my crack. I'd always thought this was really dirty, but now, standing here in the shower, I instinctively bent forward, pressing my hands against the wall so she could ram her tongue further inside me, before running it deliciously round my rim. Then, suddenly, she was right underneath me, sucking at everything, pushing her fingers inside my aching, dripping snatch. I could hear moaning behind me as the other two, turned on by what they were seeing, were obviously having some fun.

I got a real kick out of the fact it turned them on, watching me being fucked by a girl, and I couldn't help but start to moan myself. We slid to the floor of the shower, so Sara could finally get her mouth round my nipples and I could rub myself against her hard thighs, loving the feel of them on my clit. I stretched my legs wide, so my swollen nub was pressing right against her skin and, in a frenzy, I frigged myself off against her.

When I felt slender fingers pushing into my arsehole and up my fanny, I hardly knew if it was Sara or one of the others, but it was enough to make me begin to climax; my tingling clit sending waves of pleasure throughout my body. I relished the feeling of writhing against her smooth body, the water from the shower mingling with my streaming pussy juices. At that moment I knew rowing was going to be a lot less painful _ and a lot more enjoyable – than it had been in the past!

My squirty weekend at hotel

My boyfriend and I arranged to go out with another couple one night to celebrate my birthday.

At the time I was working in a large department store in Leeds, so the four of us booked into a Travelodge type hotel in the centre of town and my boyfriend picked me up from work when I finished.

The other couple, Stephen and Clare, were already dressed and ready to go out when we got back.

Clare has always been a bit of a show off and she was wearing a really tight black dress which hardly covered her arse.

Unknown to me, my boyfriend Darren and his friend Stephen had been secretly speculating about the outcome of the evening because both Clare and I had recently confessed threesome fantasies to our respective boyfriends.

We got to another club and were drinking loads of cocktails, which the boys were buying with big smirks.

Clare and I were dancing with each other, when Clare entwined her leg with mine and rubbed her crotch against my thigh.

It was immediately obvious that she wasn't wearing any panties and I could soon feel her cunt getting moist.

"Darren used his vibrator on both of us as we snogged"

This just drove me wild and I pulled her towards me and snogged her as she ground against me.

Clare nibbled the end of my tongue and I peered across to Darren, who looked as if all his dreams were coming true.

Nick then came up and slid his hands up my legs and drove two fingers deep into my

WorldMags.net

visit www.paulraymond.com

pussy from behind.

He had no problem either as I was absolutely soaking.

He then offered them to his girlfriend Clare to lick and to my amazement (and delight) she did just that. We didn't know if people could see us, but carried on anyway.

In the cab on the way back home, me and Clare continued playing with each other and we got back to the hotel in a right state for each other.

The moment we got up to our room, me and Clare were all over each other and naked barely a few frantic tears later.

Darren pulled out my vibrator and started using it on both of us as we snogged.

I came almost straight away and Darren said that the sight of my juices dribbling over Clare's fanny was the horniest thing he'd ever seen. Soon I was kneeling between her thighs as she lay on the bed and licking her cunt.

She was sucking her boyfriend Stephen's cock, while Darren was screwing me from behind.

Darren moved my head to one side because he said he couldn't see my tongue entering her pussy, so I gave him a good clean view of my lips sucking on hers.

This excited Darren beyond belief and he started fucking me with hard thrusting motions.

A second later he was pulling out and splashing hot spunk across my cheeks, to leave me wet and sticky between the legs.

Clare quickly scooted down my body and greedily licked it all up, stirring my mess with her face as she sucked down my boyfriend's seed.

As she did so, she started nibbling at my clit and pretty soon I was pumping in her mouth with ecstasy.

As it happens, I'm one of these girls who gushes when cums and I almost drowned her with my pleasure as I came all over her face.

It was definitely the best shag I've ever had and one I fully intend to repeat.

A primary school class were on an outing to their local police station when they passed photographs of wanted criminals, tacked to a bulletin board.

One of the kids pointed to them and asked a police officer, "Is that really a picture of a bad man?" The policeman nodded, "He's a very violent offender, one of the most wanted in the country."

The little boy frowned, "So why the hell didn't you keep him here when you took his photo?"

A man comes home from a month away and remarks: "You know, with laser eye surgery you really do look like shit."

His wife is utterly confused: "What are you talking about? I haven't had laser eye surgery!"

"Yeah I know," he replies, "but I have."

My wife only has sex with me for one specific reason: last night it was to time an egg boiling.

A neutron walks into a bar and asks the barman, "Excuse me, sir, how much for a lager?" The barman answers: "For you, no charge."

My builder's bum sex fest

"They took pics of me with cocks up my arse and my cunt lips spread apart"

I've been happily married to Ian for eight years. I've got two kids but have still got a good figure with shapely tits. I've always been faithful which is why what I'm about to tell you is so out of character.

Ian likes to take dirty pictures like these of me, and last week he left them out on the kitchen sideboard, just as a team of builders were about to come in to improve our council house.

When I came back from taking the kids to school, I heard the builders, five lads aged from 18 to 40, talking about the pictures. I was so embarrassed I went and hid in the bedroom till they had left for the day.

When I told Ian about it he was angry at first but he was so hard and horny when he was fucking me that night I could tell he was turned on. So he told me the next day to play up to them a bit more.

So the next day, I let them in and then went up to have a shower. When one of the lads, Lenny, asked if he could use the toilet, I told him to wait, then walked out of the bathroom and "accidentally" bumped into him and dropped my towel. Then I squeezed his cock which was rock hard.

He squeezed my tits and put two fingers up my sopping cunt. "Later big boy," I whispered,

WorldMags.net

playing hard-to-get.

Feeling this slutty, I played up with the lads all afternoon, only stopping to frig myself off in the bedroom. John kept touching me up and Lenny kept saying that I had great tits and saying my cunt was so wet it was staining my dress.

The lads decided to take me out for a lunchtime drink so I got in the front of their Transit between Lenny and John, the other three in the back.

We drove out to a village pub where no-one knew me and had a glass of wine. We started playing pool, and I was bending over, my sopping cunt stuck right up in the air. All the locals were loving it as well as my lads.

Then, while a couple of chaps kept the landlord out of the way, Lenny and John got me spread-eagled on the pool table.

Before I knew it, there were hands all over me, and I had a cock in each hand, wanking them off.

Soon I was on all fours, being fucked rigid by cocks. No sooner had one finished up me than another took its place. At one time I had one cock in my cunt, one in my arse and one in my mouth. In 45 minutes I must have been fucked by a dozen blokes.

On the way home I sat in the back of the van, my clothes totally shredded, getting fucked again by the builders.

They were taking pics of me in every conceivable filthy position, cocks in my arse, spunk all over my face and tits, my cunt lips spread apart.

I never thought it was possible to be so shameless and so turned-on. It was the greatest thrill of my life!

The building work finished two weeks late but I've not had any comeback about my unfaithfulness.

I've sent you some rude pics taken by the builders. I look forward to seeing them in *Razzle*! I'm sure those dirty bastards do too!

Chloe's risky sexual encounters with her married lover continue. "We work together and often work late in his office, which involves me, bum in the air over his desk, getting fucked hard. Once, it wasn't until we got in the next morning we realised my knickers were still on his chair where anyone could have seen them!"

Since moving to the countryside from the city, my husband James and I have enjoyed a much more relaxed, less stressful life. It took a while to adapt – mainly because the pace of life is so much slower – but now that we have, we both love it. Because of my husband's success, I have been lucky enough to stop working – I volunteer now a few days a week, but I also have more leisure time and as a result my sex life has really revved up.

James is 10 years older than me and while I love him dearly, he is now well into middle-age and no longer able to keep up with me sexually, bless him. While he does his best to fuck me a couple of times a week it nearly kills him, and I still find myself needing more. Thankfully, however, since we relocated I've found plenty of men in the surrounding area willing to satisfy my physical needs. I'm very lucky, unlike a lot of undersexed housewives, in that James understands and is not bothered whom I fuck, as long as I take the normal precautions – and don't get too attached. Over the past few months, however, I have developed an interest in the younger, physically fitter type of bloke. To be a little bit more precise, ever since I met a gorgeously fit lad called Dexter recently, which reassured me that I can still pull a looker, I have focused all my efforts on pulling hot young blokes to have my wicked way with. I think it's all about confidence; I may have three children but I've realised that men still seem to find me quite attractive. Not that I don't work at it – my boobs are perky and my body toned and trim because I work out every day in the gym, trying to hold back the signs of aging!

"There are plenty of local men willing to satisfy my physical needs"

Anyway, back to Dex, the young bloke who kicked off my preference for younger men. James had taken the kids to their gran's for the weekend, and, since his mother and I don't get on, I'd stayed back at home. My plans were unexciting, just housework and telly. However, that was before my washing machine stopped

working! I called the hotline, expecting them to tell me I'd have to wait for a few days to have it mended, but was delighted when I was informed that someone would be with me the following day.

Dex arrived on my doorstep at an ungodly early hour the next morning. I had been expecting someone later in the day so I was still not dressed and was slightly embarrassed about answering the door in my robe. When I saw how fit his young body was through his overalls I couldn't help smiling to myself, and as he examined the washer. I stood by the kitchen table, watching him work and making small talk. I could tell he was checking me out too, so after a while I took the bull by the horns and allowed my dressing gown to fall open, just slightly. I made some joke about him being out of order, knocking a woman up so early and catching me before I had time to dress. Dex didn't bat an eyelid – he simply remarked that he was coming to the conclusion he was very fortunate to have decided to make my call-out the first of the day.

Encouraged by this, I shrugged my dressing gown off to reveal my sexy negligee, and placed it over the back of a chair. Dex, forgetting the washing machine, moved in close to me, pressing his already hard cock against me and cheekily grabbing my arse and pulling it to him, forcing me to press back. I kissed him full on the lips and he responded, kissing me awkwardly but with passion, his tongue easing its way into my mouth.

Reassured by his response, I pulled my flimsy silk nightdress off over my head. That gave him a bit of a turn! His startled eyes stared at my naked figure, taking in every bit of me. I could easily tell the effect I was having on him from the increasing bulge in the crotch of his overalls, so I pulled the zip open and tugged them back off his shoulders while his hands groped my body, making my pussy moisten instantly.

Tugging his overalls down over his buttocks – and his boxers along with them – I released his straining tool and, impressed by its huge girth, massaged it to rock-hardness. Sinking into a squat so I was in a position to suck on his large cock. It was incredibly hard now, just perfect

for my purposes, and I licked my lips in anticipation and to moisten them in preparation for the treat in store.

Wrapping my lips around his helmet, savouring every moment, I flicked my tongue over its glistening surface. Dex kept repeating, "I can't believe this," under his breath and he was literally shaking with excitement, but inexperienced as he was, he just held my head, pressing me into him, urging me to swallow more of his length.

It amused me to let him imagine he was in the driver's seat, so I sat back on my heels and kept slurping and sucking on his throbbing cock.

I was excited by Dex's size, and, relaxing my jaw, I grabbed his muscular arse-cheeks, squeezing them rhythmically as my head bobbed on his dick.

I love the taste of come, and sucking on his virile young dick made me impatient to have his thick cream gushing down my throat. I was getting ready to implement a few tricks to send him over the edge, when the cocky young stud suddenly withdrew his prick.

I looked at him in surprise, but when he began struggling out of his boxers I understood that he wanted to fuck me. Grinning boyishly, he asked me if he could shag me from behind. Looking at his big prick, all hard and twitching, I felt like I could refuse this young guy nothing. I ushered him into the living room and nodded towards my husband's big leather armchair, my pussy soaking as I led him towards it; wriggling my full hips seductively as I walked. Pulling the chair out from the wall I leaned over the back of it, settling myself comfortably into position and placing my palms on the seat. I wriggled in anticipation as I sensed Dex move up behind, and I parted my legs invitingly, dipping my back so my arse and pussy were presented to him.

"Looking at his big hard prick I felt like I could refuse this young guy nothing"

He rubbed his hands appreciatively over my bum-cheeks and a quiver of expectation ran through my body as he slid his prick up and down the crack of my arse. I could feel his whole body trembling. He wasn't so cocksure now. So to speak. "Don't tease me," I joked with him, "Fuck me, or you can go back to my fixing my washer!" He seemed a bit taken aback at first, but laughed as he realised I was role-playing. "All right then, love," he said, barely controlling his laughter as a resounding smack landed on one of my bum-cheeks, making me giggle and dance on my toes. Steadying himself by gripping my hips, he rammed his cock between my legs, past my bumhole and straight into my self-lubricated pussy, reaming my fanny lips so ferociously that he made my spasming hole sprinkle my come over the root of his pumping dick.

Pausing and holding me steady, he waited for the tremors to fade before continuing to screw me. I didn't argue – I loved the feel of his prick thrusting into my slit and I slammed my arse back to meet it, increasing the force of each searing entry.

With his cock buried deep inside me, I gripped it tightly with my pussy muscles, while Dex reached forward and took one of my tits in each hand. Pulling me upright, he pinched hard on each nipple, causing me to climax a second time, my contracting fanny triggering his own ejaculation.

He came and came, his body jerking as he forced his spunk as deep inside me as he could. I glanced around and watched his muscular shoulders stiffen as, with one last all-or-nothing thrust, he jerked his final spurt of spunk into my satisfied pussy.

Our three budding photographers are looking a little over-exposed and are dying for an F-stop. And with three apertures to choose from we don't think they'll have much of a wait. "Pick a hole, but don't leave the other two out. We all need to be satisfied!" demands ringleader Scarlet.

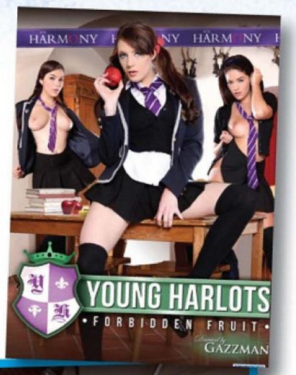
MEET THE GIRLS WHO SAILED THROUGH THEIR 'A' AND 'O' LEVELS...

Student Bodies

Young Harlots: Forbidden Fruit



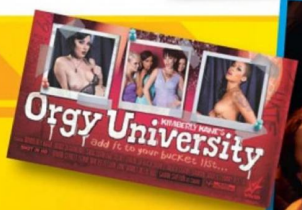
Released by: Harmony
Starring: Samantha Bentley, Ava Dalush, Valentina Nappi, Iwia, Kristine Crystalis

BEST BITS: As you'd expect from the *Young Harlots* series there is a variety of sexual scenarios and positions on offer here, all wrapped up in a school uniform! Sexy Samantha Bentley is surprisingly outstanding, given her obvious penchant for edgier roles, and newbie Ava Dalush shows that, with a mouth this filthy, she'll go far. Scottish director Gazzman has catered for every taste by ticking pretty much every box: a boy-girl, a lesbian scene, a threesome with two guys, a foursome with two girls and two guys, and a fivesome with the insatiable Valentina Nappi (*below*)! Properly hardcore, with plenty of anal, blowjobs, DPs and facials, so no viewer should be left wanting more!

WORST BITS: They may say if something ain't broke, don't try to fix it, but Harmony's *YH* formula of five scenes, each with certain guaranteed sexual acts, is starting to get predictable. We don't particularly want to be able to predict what's about to happen in our pornos unless they're in our top 10 most watched list!

DVD FEATURES: Photo gallery, trailers.

Orgy University



Released by: Vivid
Starring: Kimberly Kane, Skin Diamond, Dana DeArmond

BEST BITS: Director and star (*pictured left*) Kimberly Kane's take on Stephen King's *Carrie* book/film, *Orgy University* is more edgy than you might expect from a Vivid feature about college girls.. Gone are the cutesy smiles and pigtails, replaced with realistic college students: dressed casually, sexually curious and very, very horny! Each scene is scorching – so much so, no one individual stands out, sexually – but the finale, a huge orgy, is one of the best we've seen, with every starlet standing out for her sexual prowess. With squirting, anal, deep-throating, facials, A2M and more than a few DPs, there's something for everyone.

WORST BITS: A little on the short side at 90 minutes, we felt the movie needed one more scene – and preferably one with the scorching Skin Diamond and Aiden Starr!

DVD FEATURES: Photo gallery, cumshot recap, trailers, BTS feature, and a super-hot bonus scene starring Skin Diamond and Asphyxia Noir.

Corrupt Schoolgirls 4

Released by: Reality Junkies
Starring: Veronica Rodriguez, Casey Stone, Molly Bennett, Kelly Surfer

BEST BITS: Focussing more specifically on the student/teacher fantasy than the other titles on this page, the *Corrupt Schoolgirls* formula has proven so popular that Reality Junkies have made four of the bastards! This year's kicks off with luscious Latina Veronica Rodriguez seducing her PE teacher in the changing room, sucking him off with aplomb before he shows her his ball skills and pops his wad in her gob. We'd not encountered her before, but will definitely be checking out her, ahem, back catalogue. The other performers are all just as cute but none held a torch to Veronica, so don't warrant a mention. Sorry girls.

WORST BITS: There are a measly four scenes on offer – well below the average porn DVD these days – and all were simple boy-girl scenarios. The bland sets and minimal dialogue all adds to the overall feel that the producers couldn't really be arsed to put any more effort in. Could do a lot better.

DVD FEATURES: Impressive. Photo gallery slideshow, cumshot recap, BTS featurette.

Bree's College Daze 3

Released by: Adam & Eve
Starring: Bree Olson, Dani Jensen, Gracie Glam

BEST BITS: Star Bree Olson (*pictured*) is awesome and leaves us in no doubt why she was given her own series, and in this, the last of the *College Daze* movies, she sucks and fucks her way through each of her scenes like never before. Gracie Glam, despite playing the coy teen to a tee, holds her own with her stud in her poolside shag, gobbling his cock before he screws her senseless and glazes her bum cheeks with his creamy jizz. Class!

WORST BITS: No group sex! We were also disappointed that Bree didn't get fucked in her second scene – a tit-wank and blowie's all well and good, but as the star of the show, we felt she should get dicked whenever she appears.

4/5

DVD FEATURES: Photo gallery, bloopers reel, bonus scene.
